

### **Bob Bennion and Bob Deville Welcome Devin Bagley**

SAN DIEGO, CA – AUGUST 23, 2015 – Bob Bennion and Bob Deville, Owners of Windermere Real Estate SoCal, are proud to welcome Realtor® Devin Bagley to the Little Italy office, located at 1742 ½ India Street in San Diego. Devin’s passion for helping others reach their lifestyle goals through real estate makes her a hit with home buyers and sellers in Little Italy, Downtown, and throughout San Diego. She first earned her real estate license in 2010 in Florida.

Prior to entering the real estate field, Devin, who holds a Bachelor’s degree in Nursing, worked as a caregiver in a nursing home. Her experience working with patients instilled in her many critical skills she applies to her real estate practice. “I worked with so many different people from all walks of life in my time in the medical industry,” she says. “Their diverse backgrounds and unique requirements challenged me to elevate my service skills and adapt to suit their requests. The same is true of real estate – each client is unique and comes with their own set of needs that I must to adapt to in order to successfully deliver them the ideal home or best offer. I thrive on rising up to meet those challenges.”

Devin believes in working closely with her clients, using an open, two-way communication style to fully understand what it is they wish to accomplish and then keeps them informed for the duration of the transaction process.

“Communication is paramount to success in this business. I am up front and honest with my clients to not only gain their trust, but also set the tone for how we will interact for the duration of our relationship. That principle carries over into negotiations. I want to be fair to all sides and work toward creating win-win scenarios, and that starts with open lines of communication.”

In addition to her love for helping others achieve real estate success, Devin is also passionate about interior design and staging, working with her listing clients to enhance the emotional aspects of their home to appeal to buyers, and with homebuyers to envision the possibilities in a prospective new abode. “I am infatuated with interior decorating and staging, and enjoy sharing that obsession with my clients as an added benefit to the services I provide,” Devin adds.

Devin’s desire to make others’ lives better goes beyond her professional aspirations. In 2012, she co-founded The Kalos Foundation with her sisters, a non-profit organization dedicated to providing care packages and escapes for individuals who have sustained an unexpected and life-altering physical injury. The impetus to start the foundation stems from a horrific ATV accident that severely injured Devin when she was a teenager. “The healing process from my accident and fight for normalcy inspired me and my family to start an organization dedicated to helping others who face

those same obstacles to forget about them, even for a moment, and see the beauty in life,” Devin says.

Bennion and Deville’s Windermere SoCal was appealing to Devin because of the prime office location in the heart of Little Italy and the company’s harmonious culture. “The office is perfect for me and located in the highest-trafficked area of Little Italy. The agents and staff are all really good people, which creates a nice environment. When I interviewed with Kirk [Gregor, Managing Broker], we clicked right away and I knew this was the place I needed to be,” Devin concludes.

Says Kirk, “Devin’s strong dedication to helping clients find happiness through real estate and lofty business ambitions position her to do very well with our brokerage because we can provide her the right level of support to reach those goals. On behalf of our Little Italy office, I would like to welcome Devin to our family.”
